Pastor Chris's Message

I once received an email from someone who wasn't from our area but wanted to come check out our service. In their email they said they were gay and didn't want to cause any discomfort for anyone by coming to our service. I can't tell you how much this broke my heart. On another, less serious note, I've had countless conversations, in which someone has said something rather benign and apologized to me for possibly offending me, simply because they knew I was a pastor.

These two issues might not seem related, but they are. They both represent the perception of a pastor in particular and the Church in general by everyday people. In both cases, they are about the perception that people have, even many of you reading this, about the Church as the "Morality Police", which is odd considering that's not prevalent in the Bible or the traditions of people in antiquity. However, one could find many examples of the Church acting in such a role throughout our country, in media, and in portrayals in TV, movies, and plays.

Part of the thrill of becoming a pastor was upsetting these perceptions that people have. I've said it before, but I enjoy when I hear people say to me, "Are you sure you're a pastor?" There's a slight rush in breaking that mold and seeing that someone's preconceptions are being altered. But I'll tell you I'm getting tired of it. I'm getting tired of myself and of our church being lumped together with the popular perception of church as moral police.

As I've committed myself to the study of Christian theology as we understand it in the original texts of the Bible and the historical matrix surrounding its authors, these moral egg shells were not present. The authors weren't so concerned about how one conducts oneself in public, but far more concerned with welcoming and caring for vulnerable folks, creating communities of authentic worship and relationship, and being a combined movement in the world. That's the part of our faith and our church that excites me the most! That's how the Jewish community was envisioned in Genesis and that's how the Church was envisioned in the Gospels and Acts of the Apostles. That's who we're supposed to be and when we live into that identity the most incredible things happen: people that are turned off by church start paying attention, they get involved, and they become part of this radical community, too! You may not know this, but we've had quite a few people join our church recently for this very reason.

It breaks me to know that someone would question whether they could be part of our service simply because of whom they love. But I understand why they might – because that is how the Church has acted, and now, how it is being perceived. Likewise, it diminishes my spirit when people feel like they can't act like their authentic selves when I'm around – but I

get why that happens as well. The only thing I can do is keep trying to change the mold and to love people fervently as they are.

I've said it several times, but our theology is different than almost every other church in this valley, and that matters for the reasons above. Our theology is different because we are not the moral police, because we aren't overly concerned with individual conduct, but more concerned with communal compassion. The reason I'm sharing all this with you is because you all have a part to play as well. Each of you is a representation of Bethania, especially out in the ordinary places of our community. How you welcome, care for, advocate for, and love others will always be an extension of who we are as a church. And I'll tell you, we do this pretty well! I'm proud of how we act as a church, but I felt the need to lift up how important it is. As we continue to do this work together as the body of Christ, I truly believe we can change who people think Jesus is!

**In Christ's Love,
Pastor Chris**

Dia Del Los Muertos/Day of the Dead Altar

We will be honoring our departed loved ones again this year with our Dia de los Muertos/Day of the Dead altar on Sunday, Nov. 4. The altar has already been set up in the front of the church and really becomes meaningful when you bring in photos and mementos of your loved ones - people and pets. Children are encouraged to participate also. They can draw a picture or write a few words. As our church is open to the public daily please do not place anything irreplaceable on the altar. If you wish to put out food items that were a favorite of your loved ones please do that on Nov. 4 so we do not encourage ants or mice.

Thank you for taking part in this beautiful tradition of remembering.

- Robin Gehrs

Memorials and Tribute Gifts

When we have a memorial service for someone at Bethania, Solvang Cemetery, Oak Hill Cemetery, or Atterdag Village, the family often designates Bethania or another charity as a recipient of financial donations. Bethania and other charities are meaningful to their loved one's dedicated heart and life. For Bethania, such memorial donations - donations above our regular giving to the General Fund - allow us to purchase items that help improve our property, our ministry, our experience and our life at Bethania.

With Memorials, we recently purchased two ovens **for the kitchen.**

We've also purchased...

items for the **Fastlavn event;**

a drinking fountain, laminator and playground maintenance for **the Preschool and After School Program**

easels and chalices for **Worship & Music**

pop-up canopies for **Outreach Committee**

some upgrades for the **Parsonage**

a software update for the church data base and a digital camera

for church events for the **Church Office;**

a gate and rail for the **Cemetery**

a carved sign, a copy board for the sign on the corner and a Christmas tree

For the Church

And much more over the years.

People also donate money to this fund in honor of a person or occasion, like someone's 80th birthday or a golden anniversary.

All Saints' Sunday is also a good time to make memorial donations.

The **Memorials Committee** welcomes applications to fund various projects or items. If you would like to see something like the projects above come to life, please contact Pastor Chris or the chairman of any of Bethania's committees and ask about funding something here at Bethania. Applications for funding are due before **Tuesday, Dec. 18** when the Memorials Committee will next meet.

And, as always, the Memorials Committee appreciates and is grateful for all memorial and tribute gifts.

Bethania's Memorial Committee: Sheila Mee, Chair, Lois DeMeyer, Liz Beeler, Margaret Rasmussen, Denise Johnson (Council Liaison), Pastor Chris and Kristyl Downey. We thank out-going member Myra Petersen for her years of service on the Memorials Committee.

Youth and Family Ministry

Warmest Greetings Bethania,

We have transitioned Confirmation into more of a Youth Group format. Youth Group is meeting Sunday, Nov. 11th in our Fireside Room from 3-5 pm. If you have a middle school to high school aged child looking to expand their education in faith and make some friends, they are welcome! Have them bring a friend too!

Bethania Youth & Family is invited to assist in the clean up effort down at River View Park on Saturday, Nov. 17th from 9 am-12 pm. We will be placed in teams to follow the riverbed and clean up trash before any rain comes. This is a wonderful way for families to get involved with community and our local environment. There we will break for lunch (bring your own) or pay \$10 for a taco plate supplied there.

Afterwards I have us planned to visit the Space VR Virtual Gaming Center in Solvang on Alisal. For more details and to RSVP, please contact me.

The Interfaith Service will be Tuesday, Nov. 20th at 7pm here at Bethania. We'd love for youth and families to attend and be enriched with a beautiful diverse evening.

If you have any questions, please feel free to contact me.

Bethania Preschool and After School

November is here and we at the Preschool and After School are so thankful for you and your donations to our Pick a Pumpkin fundraiser. As we are winding this down, we ask that all donations be given by Nov. 16, 2018. Thank you so much.

The Preschoolers will be working on healthy foods and what we are thankful for. The children will study fall leaves, the change of the season, create corn, cornucopias, and lots of turkey projects. The classes will have a "Thanksgiving Feast" in their classroom. Each child will be asked to bring something to add to the "feast" to be enjoyed by their friends.

Our After School Program will be running full days during the Thanksgiving Week as elementary schools will be closed. The staff is busy creating crafts and games for them during this time.

Looking ahead we will be offering you the opportunity to wish all your Bethania Family and Friends a "Merry Christmas" by donating to our annual Christmas Greeting project. More information on this to come in December.

Happy Thanksgiving!
Eileen

A Big Congratulations to Our Preschool & After School Program!

Ministry in the Community and Around the World

Noisy Sunday is coming: Making Change for the Better - Nov. 25

Our donations from the offering will be used to help purchase Angel Gifts for the children at Iglesia Luterana Santa Cruz (*see related article*).

What will our donations be used towards? Donations on Noisy Sunday will help us kick start the purchase of Christmas gifts for needy children who attend Iglesia Luterana Santa Cruz in Santa Maria. The church provides the "wish lists" and we provide the Angels who try to fill the requests. Any amount, large or small, is much appreciated so that we can purchase clothing, jackets, blankets, jackets and shoes in addition to toys for these children. We all really "make change for the better" with the Noisy Sunday! So bring your coins and make some noise on Nov. 25th. Together, we can CHANGE a child's world!

Bell Ringers Needed!

Help staff our shifts at Nielsen's Market, Dec. 1-2

Bethania has committed to helping the SYV extension of the Salvation Army with one week-end of bell ringing help at Nielsen's Market in Solvang. The SYV Salvation Army helps those in need, right here in our area. All funds raised by the bell ringers stay here for local use.

This can be a fun way to greet people for the holidays and help those around us at the same time. You can dress up to keep the mood festive, or not – “ugly Christmas sweaters” are welcome! Some ringers dress up their pets to be their “helper”. Grandparents may bring their grandkids and some friends challenge each other and ring the bell as a team.

Dates are **Saturday and Sunday, Dec. 1 & 2**. Times we need ringers are: 9-11 am, 11am-1pm, 1-3 pm and 3-5 pm. You can also contact Charlie Uhrig (805-452-8073) if you would like to help at other locations or on other dates. Bell ringing begins Thanksgiving weekend on Saturdays and Sundays at El Rancho, Albertson's and Nielsen's Markets, and continues through the weekend before Christmas.

Sign up in the Parish Hall on our sheet, and help ring in the holidays!

Santa Ynez Valley Wine Club Association Food Drive

Canned Chicken
Breakfast Cereal/Granola Bars
Canned Soups & Vegetables Toilet Paper
Cleaning Supplies
Diapers

Christmas Angels & Preschool Presents: Calling all Angels!

Would you like to be an “angel” to a needy child? Dust off your angel wings if you would be interested in helping to make Christmas special for a child this year.

Close to home, the **CHRISTMAS ANGEL** project helps the members of Iglesia Luterana Santa Cruz by providing Christmas gifts for needy children. Iglesia is a mission start up church based at Bethel in Santa Maria, which serves the very poorest of the farm workers who often live in difficult circumstances. Oftentimes families share one bed or live in someone else’s garage without heat or running water. Many of the children may not have shoes, warm clothing or enough to eat. Agricultural conditions, weather and the economy directly affect these hard-working families, especially during the winter months. *(The Noisy Offering on Nov. 25 will support the Christmas Angels/Preschool Presents gift purchases - see related article.)*

Even closer to home, the **PRESCHOOL PRESENTS** project helps to support local families who attend Bethania Preschool and After School program. These local families are chosen by Preschool Director Eileen Knotts. Your donations will assist us in purchasing gifts and other necessary items for local children, to help these families who require some assistance to make their child’s Christmas special. If you would like to shop for a Preschool child or make a donation to this project, you can earmark it “Preschool Presents”. *(This is a different donation from the Preschool Scholarship Fund.)*

We would be happy to have your Angelic assistance for any of these children. If you are interested in sponsoring a child through the Christmas Angel or the Preschool Presents Projects, donations of any amount are welcome. If you would prefer to do the shopping on your own, or make a contribution of an item on a child’s wish list, please let Linda Marzullo know. All of the children/families have specific needs and/or requests we are going to try to fulfill, based on their “wish lists”. As soon as we receive the “wish lists” we will be able to coordinate meeting the children’s needs. Contact Linda Marzullo if you would like to be an Angel and adopt a child through fulfilling their wish list.

We need willing hands and generous hearts to make these gifts happen and keep our funding through Thrivent. Would you consider enriching your holiday by helping others in need?

Our “Christmas Wrap” Party, when we package and wrap the gifts for the children while Carols are sung, will be held Dec. 16, and the gifts delivered to Iglesia in time for their Christmas Party.

Please contact Linda Marzullo with any questions at vikingpressprint@verizon.net, work 1-805-688-5219 or the church office.

Produce Table: Goal 1 met! On to Goal 2!

GOAL 1: As of Oct. 21 you have generously donated \$2,000 to World Hunger Global Farm Challenge which was matched with another \$2,000. Go Team Fight Hunger!

We are pushing on to **GOAL 2:** donations from now on support local needs here in the SYV. So far, \$377.89 has been donated at the table. In exchange, donors get to take home a wonderful variety of flowers, fruits and vegetables!

We have recently been blessed with Tomatoes, Butternut Squash, Apples, Pickles and other items. Please continue to donate both for the produce you take home as well as bringing produce and your homemade jam or pickles to the table.

Don't forget to check out what's available on the Produce Table before you head home from church or on your way to the education/coffee hour each Sunday from 10-11 (between the 9 am and 11 am services). Donate whatever you choose towards the produce and other delicious items available.

Also, if you have been operating on "credit" – now is a good time to settle up!

Check your garden (and your neighbors' gardens) for items to share...and help us help those in need.

Annual Meeting, pt.1

The Annual Meeting, pt. 1 will be Sunday, Nov. 18 at 10 am in the Parish Hall. On the agenda: the 2019 congregational budget, election of council and committee members and a couple of other items.

Treasurer's Report - September 2018

Balance Sheet:

The cash position in the general checking is the strongest it has been in the last four months, with \$7,357 in the account after paying all the September payables.

The money market fund is up by \$8,000 over the previous month. This is due to the "19 in 90 Campaign" for refinishing the church pews. Praise God that our members have met the challenge and we will soon begin the refinishing process.

Overall the cash position has improved by \$16,670 over the previous month.

All accounts are current, and the church has no indebtedness or outstanding liabilities, with the exception of the pastoral pension liability.

The balance sheet remains strong.

Profit & Loss Budget Performance:

Income:

Offering income for the month was up by \$7,072 compared to budget, and for the first 9 months of the year up by \$6,046 compared to budget (104% of budget).

Other income for the month was up by \$2,429.

Other receipts for the month were down compared to budget, but are significantly up year to date by over 300%.

Overall income for the month was up by over \$9,000, and for the first nine months, up by \$23,000 or 111% of budget.

Expenses:

Benevolence was up due to increased offerings, and due to the special benevolence giving at the first of the year due to the Thomas Fire and the Montecito flooding.

Salary & benefits were up slightly (by \$953), but below budget 98% of budget through the first nine months.

Staff expenses for the month were below budget, and are at 79% of budget through the first nine months.

Office administration expenses were on budget for the month, and are tracking at 95% of the budget through the first nine months.

Property expenses for the month were below budget, but are on track at 99% of the budget for the first nine months.

Utilities were below budget by \$377 for the month and are tracking at 99% of budget for the first nine months.

All other expense categories were at budget or below.

In summary: Expenses in September were right on budget, and income was over. Our total expenses for the first nine months of the year were \$224,621 (budget was \$210,840). However, our income for the first nine months was \$229,602 compared to a budget of \$208,524. Our net revenue over expenses for January through September was \$4,981.

Overall: God continues to bless Bethania with dedicated members who give freely of their time and talents to do God's work here in our community and the world. In addition to the financial report above, the Heritage Fund, the Memorials Fund, and the Endowment Fund contributed over \$40,000 to complete much needed repairs to our campus, and added air conditioning to the sanctuary. Praise God from whom all blessings flow, and may God bless all of our members and staff for their dedicated work and prayers for our church.

The Pews are Coming! The Pews are Coming!

Thanks be to God, our "19 in 90! Campaign" was a success. We raised enough money to cover the cost of refurbishing all of the church pews, plus a little left over, which will be going into the Heritage Fund. The work has already begun so keep your eyes out for new pews as they get installed. A huge thank you to everyone who donated to this cause. For those who wished to have a plaque in place, we will be getting in touch with you as we get to the end of having all the pews installed.

Thank You's

Thank you for your gifts to ELCA World Hunger! Thank you for your support!
