Pastor Chris's Message

I've shared it enough times that most of you know I stopped going to church as a kid and came back to it as an adult. I'm not sure if I shared with you my experience at church that continued to have a profound effect on me, but I'd love to now!

When I started going back to church it was an 11am contemporary service with a small worship band and about 20 – 30 regular churchgoers. I didn't particularly like the music. It wasn't the musicians – they were great and dedicated – it was more the theology behind it, which seemed shallow and superficial. I would often go to the bathroom during the music and wait until it was over before returning to the sanctuary.

I share this because a lot of folks expect the music to be the thing that brings them in and keeps them going, or, is what keeps them from coming back (I've received these comments as a pastor), but the music didn't have either of those effects on me. At first, it was the pastor. He had a laidback, casual way of preaching that was immediately disarming and his sermons were so relatable that at times I thought the sermon was specifically for me. And he was expressing the same theology we affirm at Bethania, but at that point, it was a novel theology for me.

As I came back every Sunday I began to notice that it wasn't simply the sermons that kept me returning. In fact, I discovered the parts of Sunday worship I was missing the most was the space before the service formally started and the space after the service formally ended. This was the space where I would walk in and encounter a group of people who knew me, were delighted to see me, knew what was going on in life and would regularly check in about those things – and vice versa. I looked forward to this communal space every Sunday and was excited to see people who knew me and loved me authentically.

This was all taking place at the age of 22 and like many 22 year olds I was still in the throws of experiencing legal drinking. I was usually out with friends on Friday and Saturday night at some bar or restaurant having a fun, but safe time. Every Saturday night I would cut my time a little short and make sure I was home to get some sleep because of church the next morning. And when friends would try to make plans on Sunday I would always tell them it would have to be after noon when church got out. I was surprised, but looking back delighted at my priorities at this age.

What's more, my friends never looked at this as though I was drifting away from them and moving towards this new lifestyle, but could see that both having fun with them and going to church every Sunday fit together. They didn't know it, but it was because we have a theology of grace, a theology that takes us as we are and doesn't try to mold us into individual moralists, but rather helps us connect with our identity as beloved children of God and uses that to help others.

This went on for about a year. I worked, went to school, had fun on the weekends and went to church every Sunday. The routine was good and my faith life was a pinnacle in my daily living. My friends never questioned whether my church life was superficial and I never tried to evangelize them (still not

something I'm keen on). And then something incredible happened. Some of them started asking if they could come to church with me sometime. Whether it was adverse experiences that had hit their own lives or simple curiosity of what would keep me going to church so regularly, there was something they had detected that compelled them to want to check it out.

They haven't become regular church attenders and that's not really important to me that they would have, but they've followed my story from then, through seminary, to now. They regularly comment that this story has shaped their understanding of what God could be rather than the stories they've heard that tell them what God is. They've opened up to the idea that they don't have to change to encounter God, but rather God seeks to encounter us in love and often that leads to change.

My reason for telling this part of my story is that it has shaped my outlook on ministry today. Likewise we, as the Church, are called to encounter God in love and let that shape us in a way that our daily lives reflect this relationship. It takes longer than outright evangelism, but I've found this is far more authentic and lasting for people who either don't know God or who have understood God negatively. It's why the focus of our ministry at Bethania has been to dive into how we encounter God now and what that might look like in our daily lives and why our ministry can be framed simply as a response to that encounter. I'm curious if this speaks to you personally and I would love to hear your thoughts.

**In Love,
Pastor Chris**

Youth and Family Ministry

Hello Bethania,

We have transitioned Confirmation into more of a Youth Group format. Youth Group is meeting throughout the summer in the Fireside Room. If you have a middle school to high school aged child looking to expand their education in faith and make some friends, they are welcome! Have them bring a friend too!

Throughout the summer we will go on various trips such as to the movies, the Escape Room, Space VR, hiking and camping, and maybe...even a Lock-In.

Sunday School will return formally later this summer. We will have dedicated classrooms set for ages 2, 3, 4, then Grades K-5th. If you'd like to be a teacher this upcoming fall, please contact me.

Vacation Bible School was out of this world and a huge success! We want to thank all of the volunteers who assisted as donors, decorators, food preparation, assistant crew leaders, crew leaders, rotation leaders, rotation assistant leaders, AV tech, and preschool camp.

Bethania Preschool & After School

Summer is in full swing at the Preschool and After School. Children are busy with water play, field trips, and new adventures. We will be “camping”, going on nature hikes, visiting Farmers Market, building with marshmallows & toothpicks, making ice cream and crayons and so much more. Our goal is to have the children engaged and excited about their summer experience here.

Our summer program is State Licensed. All the staff members meet the requirements set by the licensing agency. All staff members are CPR/First Aid certified. All teachers in both programs have early childhood units and have been with us for several years.

It is a very busy place around here during the week, with lots for fun and laughter, come by and check it out!

Happy Fourth!!

Noisy Sunday is coming July 28! Backpacks & Care Kits that will travel the world...

What is our change going to change this summer? We are going to help Lutheran World Relief make the world better for others, one coin and one kit at a time!

Our next Noisy Sunday will be July 28th. We will be using our Noisy Offering funds towards the purchase of needed items to make up Personal Care Kits and School Supply kits. (Assembly day will be part of Day of Service, Sept. 8th).

On July 28th, our jangling coins will be used to help purchase some of the pieces of the kits that we will make in September. With the ability to order in bulk through your donations, we can save some money and make more impact – and more kits!

Lutheran World Relief has been working with partners like us to reach out to families with School Kits and Personal Care Kits to places around the world. Since October 2011, LWR with our help has sent almost \$7.5 million worth of Quilts and Kits to Armenia, Iraq, Jordan, Lebanon and Serbia, to be distributed to Syrian refugees and locally affected communities.

These distributions are made possible by the generosity of men, women, and children across the U.S. who spend countless hours collecting, assembling, packing and shipping LWR Quilts and Kits — and the people who support Lutheran World Relief's delivery of these gifts of love into the hands of people who need them.

Send your quarters and your support around the world the easy way! All it takes is a toss into our Noisy Offering buckets during the special offering.

We also ask you to consider contributing other needed items as the summer rolls along and the special sales happen, especially Back-To-School special deals (related article includes lists of needed items). Collection area will be in the Parish Hall or you can drop items at the church office.

Gifts of school supplies will help children to attend school. Soap, combs and toothbrushes will help people be healthy in places where there is no access to these items. We can help people dealing with

some of life's most difficult situations – the aftermath of earthquakes and floods, fleeing home to escape violence and living in extreme poverty -- by making these "Kits of Care" that will travel the globe.

Together, we can "change" our world, one coin at a time.

Personal Care & School Supply Kit Items Needed!

We will be collecting items this summer for assembly day of Personal Care Kits and School Supplies for Lutheran World Relief during the annual Day of Service on September 8th.

You can help people dealing with some of life's most difficult situations –the aftermath of earthquakes and floods, fleeing home to escape violence, and living in extreme poverty. When LWR distributes Personal Care Kits, it's often to people who have lost everything. Natural disasters such as earthquakes and refugee camps are typical distribution areas for these kits. Around the world people suffer each day because of lack of basic hygiene. In refugee camps and in the world's poorest communities, a few simple items can mean the difference between sickness and health, and life and death.

Why school supplies? Imagine having to choose between a meal or purchasing a notebook. To the children who receive School Kits, these supplies mean the difference between getting an education or not. Public school is usually free, but in the places where LWR works, even a few required supplies, like pens and paper, may be more than many families can afford. And when parents can only afford to send one of their children to school, girls rarely get priority...yet the education level of mothers has the biggest impact on development.

Here are the items we are collecting. Watch for sales this summer and help us stock up!

Items needed are:

For Personal Care Kits:

1. Bath size towels (light to medium weight, between 20"x40" & 27"x52"), dark colors preferred
2. Bars of soap (4-5 oz., any brand, in original wrapping – 2 per kit)
3. Toothbrush (adult size, in original packaging – bulk buys can be repackaged by us)
4. Comb, sturdy wide toothed
5. Nail clippers (with or without nail files)

For School Supply Kits:

70 sheet College ruled Notebooks (spiral bound)
Pencil sharpeners
#2 Pencils
2-1/2" Erasers

Rulers with centimeters and inches
Blunt tip scissors
Ballpoint (not gel) Pens, Black or Blue ink
Box of Crayons (16 or 24 count)

Bring your items to the donation box by the Sunday School office or to the church office.

If you have any questions, contact the church office or Linda Marzullo at work: 805-688-5219 or via email: vikingpressprint@verizon.net

Wanted: Thrivent Members

If you are a Thrivent Member, we need you! Every Thrivent member has the possibility of receiving seed money (\$250.00) for two projects a year. We would like to develop a list of those with eligible Thrivent memberships so that we can make sure our church and community benefit from the available funds. Please contact the church office to let us know if you are a Thrivent member.

Doing a project is simple and fun. We also have ideas for the church which could use some "start up" funds if anyone is agreeable to helping with their seed money. We can help with filling out the forms if you need help. Kristyl recently did a Thrivent project for the brown bag breakfasts, so you can ask her about it also.

With Effort Things Can Change

Dear Brothers & Sisters in Christ,

God has richly blessed Bethania with caring members and visitors who have responded to Pastor Chris's letter regarding our financial position. Thanks to all of you who have given generously to help us continue our mission and ministry. As of this writing, (June 28) we will have met or exceeded our offerings budget for the first six months of the year. Thanks be to God!

As we move forward into the remaining summer months and beyond, we do so with the faith and hope that our needs will be met to continue the work that God has set out for us in our congregation, our community, and the world.

In God's Grace,
Ron Walsh
Treasurer/Business Manager

Treasurer's Report for May 2019

This report will focus on the cash position of the church, the ordinary income and expenses, and will not include any monies that have been brought into income from other funds. That money has been spent and the expenses are reflected on the balance sheet as improvements to the fixed assets of the church.

Balance Sheet:

The cash balance in the general checking account **at the end of May** was \$557. There is no surplus of funds moving forward into June. The money market fund has \$103,601 in it. Most of this money is designated. All liabilities have been paid and there is no debt.

Profit & Loss - Budget Performance

Other income for the month was up slightly (\$1,100). Offerings for the month were down by \$3,371 from the budget. Offering income has been below budget for four of the first five months of the year. We are currently below the offering budgeted by \$7,969. Overall our income for the first five months was \$10,166 below budget.

Expenses

Our expenses for the month were \$2,200 over budget, and for the first five months we were over budget by \$4,500. Overall we had \$103,622 in income for the first five months and \$128,610 in expenses, or a deficit after five months of \$20,988.

We are now heading into the summer months where, historically, our offerings have been reduced. If we continue in this pattern, we will need to move money from undesignated funds to general operating. At this point we only have approximately \$13,000 in this reserve fund. Last year we used over \$16,000 in reserve funds. I would anticipate that we will be out of funds to move by the end of July or August.

If you have any questions about Bethania's finances, please contact me.

- **Ron Walsh, Treasurer**

Another great reason to make a Memorial or Honorarium Gift to your Endowment Fund...

Bethania Lutheran Church Endowment Fund is pleased to announce five Scholarship recipients for the 2019 Year. This is the first year in my memory that we have not had ANY High School graduate applicants for our scholarship awards! Therefore, we reached out to last year's recipients and asked for an update on how they are doing. It was an extremely interesting, and dare I say exciting, experience to read how their previous year in college worked out. Our recipients will each receive a \$1,000 scholarship to continue their education.

OWEN ANDERSEN – Cal Poly, San Luis Obispo
KURT BEEHLER – Allan Hancock College
VALERIE LAUFER – UC San Diego
EDDIE LUNDBERG – Cal Poly, San Luis Obispo
SARAH PUDER – Cal Poly, San Luis Obispo

Congratulations to these young people and we offer them our support and prayers as they continue their education. Remember – the Endowment Fund only gifts from its earnings. Your gift to the Endowment Fund will continue to produce income for gifting!

I would urge you to utilize gifting to the Endowment Fund as a memorial gift or to honor someone special, knowing that your gift is safely invested and will continue growing in the years ahead. These scholarships we are able to provide are an investment in the future of our young people and our community.

Thank you for your support of the Endowment Fund.

Carolynn D. Petersen
Chairman, Endowment Fund

Request for Memorials

Do you have something you'd like the church to buy? If so, please contact Kristyl in the church office and fill out a form to make a request of Memorials. Recently the Memorials Committee (and Council endorsed) a new program for giving and notifications for the church and a window in the Fireside Room to allow air conditioning there. The Memorials Committee is eager to support the church by funding such items.
