Why Jesus?

It's a question that hovers below the surface. Why Jesus? Why this particular manifestation in a human being at a particular place and time and history? The surface answer many have grown up with is wrapped in atonement. Jesus was God incarnate come to atone for a broken world. This response makes me think of a meme I saw that portrays that iconic painting of Jesus standing at a door and the text goes something like this:

Jesus: Let me in.
Person on other side of door: Why?
Jesus: So I can save you.
Person: From what?
Jesus: From what I'm going to do if you don't let me in.

I think we fall victim to relegating Jesus to merely a function and we miss out on the implications of his life and ministry for the world. Fortunately, the mystics have made a comeback and wisdom leaders like Richard Rohr and Cynthia Bourgeault have gained popularity in the West. Both have been profound inspirations within my own spirituality and how I interact with the world around me.

In their light and inspiration, I'd like to share something deeply personal about my own theology, which responds to this question, "Why Jesus?" One of the foundations the mystics lead us into is that God is mystery. What I mean is that we can spend our lives studying God, we can add to that the lives of those who came before us who studied God, and we can add to that all the discoveries that science continues to uncover as even more study and revelation of God, and yet God is still so magnanimous and incomprehensible that mystery seems to be the best word to describe God. But the thing about mysteries is they always keep us searching. For thousands of years cultures have been navigating the mysteries of the divine searching for something comprehensive.

So in a world where we most profoundly encounter God in experience, in a moment of pause, in a landscape, a sunset, the rustle of leaves, the laughter of a baby, the innocence in eyes, the transcendent human connection, the entrance of a new season, the synchronicity within nature, the music of waves, the sound of silence, there is something deep within us that yearns for the concrete, something solid to grab onto so that we don't drift endlessly into the mystery, but perhaps enables us to encounter that mystery more fully in the communities around us. And for us as Christians, that's Jesus. The fixed point is a poor, Palestinian Rabbi who lived 2,000 years ago in Roman-occupied Galilee. A man born under the premises of scandal by a young, unwed woman, who consistently crossed cultural boundaries for the sake of love and restoration, who proclaimed that the smallest were the greatest and the forgotten were treasured, who never once said to worship him, but regularly said to follow him.

Even Jesus never understood himself to be a comprehensive definition of God (for only the Father knows), but Jesus does become, for us, a lens, a model, an orientation with which to traverse this mystery. Jesus is that part of God that we can fall back to, rest in, be filled by so that we can remain open to the new revelations and iterations that God offers us in one another, in creation, in the cosmos, in the past, present, and future. Jesus is love incarnate, the part of God that we need to feel most concretely, so that we can move through the parts that continue to evolve and keep speaking to us. Jesus doesn't need to offer us full knowledge to experience life more fully, and so what Jesus does give is the conviction that we are loved, as we are, that the divine mystery exists in us, in those around us, and in creation, that somehow we are connected to all of it and are able to feel that connection if we open ourselves to it, and while we'll never fully understand the mystery of God, it is enough that we get to experience it. And this, my beloveds, is salvation.

**In Mystery,
Pastor Chris**

Youth and Family Ministry

Happy Autumn Bethania,

We have transitioned Confirmation into more of a Youth Group format. Any student in 6th grade through high school is welcome to join. Whether looking to expand their education in faith or make friends, they are welcome! We will meet Sunday, Sept. 8th @ 11 am - 1 pm in the Parish Hall. This time change is only for this month due to the great event, Day of Service!

Youth are going on various trips in the fall, and a Lock-In around November in our Fireside Room.

Sunday School is returning Sept. 15th and will be taught during the 11 am - 12 pm service. We will have dedicated classrooms set for ages 2, 3, 4, 5 then Grades 1st-5th. If you'd like to be a teacher this upcoming fall, please contact me.

The packing of hygiene and school kits will be Sept. 8th in the Parish Hall. We'd like to see all Youth & Families attend this special Sunday to promote assistance and wellness for others in need.

Youth & Families please come walk with us in the Danish Days Parade on Saturday, Sept. 21st. We line up at 1:30 pm and march at 2:30 pm. We plan to decorate on Friday, Sept. 20 in the church parking lot.

I am expecting our second child and the due date is Jan. 26, 2020! This is right around the time of the Annual Youth Rummage Sale. "What were the chances?!" So I'm looking into other Saturdays to host: Nov. 23, 2019, Dec 14, 2019 or Mar. 21, 2020. I will need lots of help to organize and sell. Please reach out to me if you can offer any assistance.

Side Note: I am searching for a Marborg storage locker to help store decorations and youth group items. Please let me know if you or you know someone trying to donate.

Blessings to you and your loved ones,

Ministry in the Community and Around the World

Noisy Sunday is Coming: Sept. 22 Make Change for the Better

The next “Noisy Sunday” is coming on Sept. 22. The offering from that day will be used to help cover the shipping costs of both the Personal Care Kits and the School Kits that we will be sending to the Lutheran World Relief Warehouse. This offering helps Lutheran World Relief ship the kits to the people who need them. We send our kits to an “ingathering” day set up by LWR, so that there is no cost to us to ship them to the warehouse. (Assembly day is scheduled for Sept. 8th at Day of Service - see related articles)

Why do we need to ask for shipping cost donations instead of using those funds for creating more kits? Here’s why: We plan to make 225+ School Kits and over 100 Personal Care Kits. According to LWR, the approximate processing and shipping cost for each kit is as follows:

LWR Mission Quilt: (per quilt \$2.25)

LWR School Kit: (\$1.40 per kit)

LWR Personal Care Kit: (\$2.65 per kit)*

*Your gifts to the LWR Quilt & Kit Shipping Fund, for Personal Care Kits, also helps LWR cover the cost of providing a tube of toothpaste for each kit.

Your quarters, dimes and nickels (and hopefully some dollars!) will help us ship both types of kits, which are desperately needed, according to LWR.

The August Noisy Offering total was used for purchasing items for our Day of Service projects, which included items for the kits. Thank you for also helping to meet the needs of seniors with items for the Brown Bag Breakfasts. These seniors are food insecure members of our community, who need the help to have something to eat with their morning and evening medications.

We continue to “make change for the better” with the Noisy Sunday offerings. So bring your coins and make a joyful noise on Sept. 22nd. Together, we can change the world!

– Linda Marzullo

Helping Hands + Donated Supplies = Our 2019 “Day of Service” Event!

We need you! Plan to join others in assembling School Kits, Personal Care Kits and Brown Bag Breakfasts for Seniors on **Sunday, Sept. 8th at 10:30 am** (*We also need helpers to set up on Saturday, Sept. 7th at 6 pm - see info*). Following worship service, we will meet in the Parish Hall to start the assembly line for each project.

As part of the ELCA “Day of Service” on Sept. 8, we will be assembling both School Kits and Personal Care Kits in the Parish Hall. We will also be putting together Brown Bag breakfast items for seniors already being served by Meals on Wheels, who need a little food ready eat with medications in the morning.

All ages and abilities are welcome to help with these projects – you can be a part of the “assembly line” no matter what your age or skill level. There are plenty of spaces for willing workers! You can count, gather, wrap, tie, box...fun for all ages as we see the piles mount and boxes fill up. Feel free to invite friends and neighbors – this is a great event to have others come and see what we do here at Bethania, and be involved.

Everyone who contributed in some way to the completion of these many projects is making a difference to the person who receives the kit. Your hands were in direct contact with someone in need, through the volunteer time and effort you put in, however large or small.

Thank you all for your support of this important event. Our Bethania members will directly touch those in need, by sending supplies and our compassion through Lutheran World Relief, and reaching out in new ways to others.

If you have any questions, contact the church office or Linda Marzullo at work: 805-688-5219 or via email: vikingpressprint@verizon.net

Day of Service Items Still Needed!

Our “Day of Service”, an ELCA-wide vent focusing on the needs of our communities and our world, is coming Sept. 8th. We will be collecting items this summer for assembly of Lutheran World Relief Personal Care Kits, School Supplies, Blessing Bags and Brown Bag Breakfasts for Seniors.

Personal Care Kits help people dealing with some of life’s most difficult situations – the aftermath of earthquakes and floods, fleeing home to escape violence, and living in extreme poverty. When LWR distributes Personal Care Kits, it’s often to people who have lost everything to natural or man-made disasters.

School Kits are given to children to help them have the supplies to be able to attend school. Imagine having to choose between eating a meal or purchasing a notebook. In the places where LWR works, even a few required supplies, like pens and paper, may be more than many families can afford. And when parents can only afford to send one of their children to school, girls rarely get priority...yet the education level of mothers has the biggest impact on development.

Brown Bag Breakfasts will be assembled to make sure that Seniors who are financially needy or who require assistance with meals have something to eat for breakfast. Many medications must be taken with food in the morning.

Here are the items we are still collecting as we count down the days to Assembly Day on Sept. 8th.

For Personal Care Kits:

- Bath size towels (light to medium weight, between 20”x40” & 27”x52”), dark colors preferred
- Bars of soap (4-5 oz., any brand, in original wrapping – 2 per kit)
- Toothbrushes
- Wide-tooth combs
- Nail clippers

For School Supply Kits:

Pencil sharpeners
Ballpoint Pens (not gel) – Blue or Black ink
#2 Pencils, not sharpened

For Brown Bag Breakfasts:

Fruit cups
Small juices, such as Cranberry, Sunny Delight or V8 or Protein Drinks (such as Boost, Atkins)
Soft breakfast bars or cereal bars
Protein bars
Protein Oatmeal packs

Bring your items to the donation box by the Sunday School office or to the church office.

If you have any questions, contact the church office or Linda Marzullo at work: 805-688-5219 or via email: vikingpressprint@verizon.net

Basil and tomatoes, zinnias from the Produce Table, photos by Ron Walsh

As of Aug. 11th you have generously donated \$1492.88 at the table to take home a wonderful variety of flowers, fruits and vegetables!

We are splitting the amount donated through Aug. 11 between ELCA World Hunger Good Gifts program and Pastor Chris's discretionary fund, so each will benefit in the amount of \$746.00.

We have recently been blessed with squash, Armenian cucumbers, flowers, tomatoes, berries, plums, rhubarb, plants, lemons, eggs, garlic, bell peppers, jalapeños and much more. We have also had peaches, herbs, cantaloupe, succulents and zucchini bread. Please continue to donate both for the produce you take home as well as bringing produce to the table.

Don't forget to check out what's available on the Produce Table before you head home from church or on your way to the coffee hour after the service. Donate whatever you choose towards the produce and other delicious items available.

We also need help harvesting at Carolynn's garden on Saturdays. If you are able to help with the harvest, let Carolynn know: (805) 688-6243.

Danish Days Organ Concert Bach's Lunch: An Organic Smorgasbord!

Favorite festival organist James Welch is "Bach" by popular demand for this year's Danish Days celebration, playing on the authentic pipe organ at Bethania Lutheran Church, Saturday, Sept. 21, at 1 pm. A world-renowned concert organist, Welch's concerts are always full of fun, with something for everyone—from the baroque to the contemporary, from the Old World to California. A direct descendant of Danes from Fjenneslev, Denmark (his grandmother was a Sorensen), he credits his Danish ancestors with his love for music.

Concert plans for the afternoon will demonstrate the lighter side of the organ, with folk tunes and some hits from opera and Broadway. And yes, there will be some Bach, too! Get to the concert early, because this event is often a standing room only affair.

The historic church is located at 603 Atterdag Road in Solvang. The church building, completed in 1928, was the first Danish style building in Solvang, and remains the most authentic Danish architectural replica in the city. It was a beacon of welcome for newly arriving settlers to Solvang, and continues as an historically accurate landmark that attracts visitors from around the world. Highlights include Scandinavian Romanesque architecture along with a beautiful hand-carved wooden altar, pulpit and baptismal font. Other distinctive features make this a favorite place to visit in Solvang.

Long Range Planning Survey

As many of you know, Bethania has formed a Long Range Planning Committee to think about some of the longer term goals at the church. One of the tools in any long range planning are surveys. Rather than inundate the congregation with a bunch of surveys, the LRPC has created one, comprehensive survey. Several months have been spent creating, editing, recreating, and finessing this survey. For the month of September, the LRPC will finally be sending it out. It is imperative that as many people as possible take this survey. We will be emailing it, mailing it, and distributing it by hand so as many people as possible receive it. There will be drop off boxes in the narthex and the church office to hand in when you are done. Will be dedicating the month of September to allow time to take the survey, but please help us out by completing it as soon as comfortably possible. And of course, if you have any questions, talk to Pastor Chris or Stewart Fries.

Treasurer's Report for July 2019

Balance Sheet:

The cash position in the general checking account is \$6,859 after all the July bills have been paid.

The money market fund is up to \$159,026 due to a bequest of \$75,000 (unrestricted, but donor has said the money should be used for capital improvements at the church)

All liabilities are current, with the normal exception of the pension liability, and the church has no indebtedness.

The balance sheet remains strong.

Profit & Loss Budget Performance:

Income:

Regular offerings were down by \$963, however VBS donations and fees of \$1,715 were recorded. The monthly offerings were up by \$752. Offerings for the first seven months of the year were over the budget by \$6,151.

Total income for the first seven months was \$1,240 below the budget. (It should be noted that we had budgeted to have the preschool portion of the liability insurance paid in total in the month of July, and they have paid a portion last month and will be submitting the balance later on in the year)

Expenses:

Salary and benefits were over the budget by \$1,017 for the month and are at 106% of budget for the first seven months.

Staff expenses were over the budget by \$868 for the month (we paid the entire church's portion of the workers compensation insurance for the year in July). Expenses for the first seven months were at 86% of budget.

Office administration expenses were below budget for the month.

Property expenses were over budget due to increased outside maintenance services.

Utilities were on budget.

Other expenses were at or below budget.

Overall we experience a deficit of \$4,445 for the first seven months; however, we had planned a deficit of \$7,494 for that same period.

- **Ron Walsh, Treasurer**

Thank You

Dear Bethania Family,

I wish to express my appreciation to all you who called, sent cards and prayers during my husband's illness and passing.

My church family is truly a blessing to me and my family. Again a heartfelt thank you to you all.

Love and peace,

Melissa Eck

Sunday Prayers

Council has voted on a more simplified way of listing those we're praying for on Sunday, and hopefully in our every day life. Unfortunately, the list of people we pray for each week is growing beyond the capacity of our Sunday service, and we'd like to extend how we pray beyond that service. With that in mind, what council has voted on is as follows:

We will be praying aloud for people on the immediate prayer lists. There will be a small space for congregants to say silently or aloud other folks they want to keep in prayer.

Folks will be on the immediate prayer list for Sundays for up to two weeks and then removed. This is to give space for people who are diagnosed with an illness, have a surgery coming up, have a worsened condition, who have passed, who want to celebrate a moment of thanksgiving, etc. However, people can always be added again to the immediate prayer list.

All prayers, both immediate and ongoing, will be in the Beacon every month. I highly encourage you to keep all of these folks in your prayers.

In addition to these parameters, I think we, as a community, need to explore prayer further in general. I preached on various ways we can experience prayer and I think some of those ways need to be incorporated more into our regular church life. Some things I'd like to explore is the creation of a prayer garden where we could not only have specialized prayer services, but where we could also leave additional prayer petitions. I would also like to explore the creation of a prayer labyrinth on our property where not only church members, but the community at large could come and immerse themselves in prayer.

I know this new policy is going to create some consternation, so please if you have concerns, reach out to me. While the prayer list is changing on Sunday services, I would actually like to use this as an opportunity for how we can expand our experience of prayer as a church.

**Yours in Christ,
Pastor Chris**
